Summary of Statement(s):

The complainant [REDACTED] alleges that on 03 OCT 2011 at [REDACTED] and approximately 0850-0930:

I received a phone call and I look at the phone but I didn't bother to answer it and I let the voice mail answer the call. They left a message. When I check the message it was a long message. The guys name was [REDACTED] he said he was an officer and he gave me some numbers after his name. It was a long message that said something about a Federal crime. He said I committed a federal crime and the company that said I committed it was One-Click Cash. I He said I owed them \$645.00. He asked me if I wanted to settle it in court or if I wanted to pay it by credit card over the phone. He gave me a certain amount of time to call him back and he said I couldn't tell anyone. Then he said if I couldn't pay the whole amount I could part \$320 in installments. I told him I wasn't working he said maybe I could borrow the money from someone or put it on a friend or family members credit card. He said if I didn't come up with the money I would have a surprise waiting for me that I would not like. He sounded like a robot and he had me scared. It's like a nightmare with them harassing me. He hung up the phone. I have not spoke with him since but if I get a call from a number that says unknown or unavailable I don't answer it.

I, [REDACTED] hereby state as follows:

1. I have read the above summary and/or attached statement(s) in its entirety, reviewed it for accuracy and been given an opportunity to make corrections and additions to the statement(s).
